Unterweg 14

CH-8180 Bulach-Zurich

A Division of Landert Group AG

**Explanations:** **RoHS II**

TORMAX Products delivered from TORMAX Production s.r.o., | F.V.Veselého 2700/5 | CZ-193 00 Praha 9 – Horni Pocernice are conform with the directive 2011/65/EU.

The restrictions on hazardous substances in electrical and electronic equipment are identical to those specified in Directive 2011/65/EU (RoHS II) in terms of type of regulated heavy metals and flame-retardants, involved appliance categories.

**REACH**

TORMAX is a Swiss manufacturer of automated door systems. Thus, according to REACH, our products are defined as articles, which do not have to be registered. Only in cases where the substance

- is present in those articles in quantities totalling over one ton per producer or importer per year and
- is intended to be released under normal or reasonably foreseeable conditions of use

When an article or parts thereof contain more than 0.1% of a substance of very high concern (SVHC) listed in ECHA's candidate list (<https://echa.europa.eu/candidate-list-table>), the supplier of an article must inform its recipients (art. 33 REACH). Taking into consideration the candidate list and monitoring it on a regular basis, we can inform you that our products do not contain any substances included on this candidate list. Should a future version of the candidate list include a substance contained in a product supplied by TORMAX and above 0.1% in the article or parts thereof, TORMAX will of course advice you in accordance with the requirements of the chemicals legislation.

We declare, that the above mentioned products, which are referred to by this declaration, are in conformity with the above listed directives.
